Front Splitters & Fascias : Gen II Bolt-On Splitter - TA Style

Description

This part attaches to the air dam on the bottom side the stock fascia. The kit includes a pair of splitter support rods custom designed and engineered at Autoform Viper. Parts can be ordered in black gel coat or painted Satin Black. Carbon Liup is also available.

This Version features a "TA" style lip.

In the "notes and special requests" section of the shopping cart please list the color of your car, stripes if necessary and be sure to include both the year and engine of your vehicle. Also list other requests you may have. Also, email or call us for any additional questions/concerns.
